Aspire One

Page 2

Tous les modèles Acer Aspire One ont été conçus pour offrir au client le maximum de la liberté mobile. Ils offrent la combinaison parfaite de compacité, design, qualité et simplicité d'utilisation, tout ce que vous pouvez attendre d'Acer y est intégré afin que vous restiez toujours connecté, pour gérer à chaque instant votre vie personnelle ou professionnelle tout au long de vos déplacements. L'Aspire One va révolutionner vos attentes et votre vision de la mobilité.

More than just a performance boost, Acer Empowering Technology dramatically increases the mobile potential by offering tools designed to maximise security, system management, performance and recovery, together with unrivalled power, connectivity and presentation potential.

**Acer ePower Management**

A straightforward interface that allows users to select from four pre-configured power usage profiles, or to create their own customized profiles. It contains easy controls for enabling and disabling system features and other useful settings.
